Committee Updates

Programming

Fabric orders for the Mini Mod Swap have been placed!

Current Challenge: Sew Your Stash. Use only the squares from your swap and one extra solid to create a mini or mug rug. Find inspiration on our [Challenges](#) tab. Reveal at this month's meeting!

Sew & Tell has a new email! Send your sew and tell photos to sewANDtell@rcmqg.com. You can also post in the Sew & Tell Slack channel!

Fundraising

It's not too late to submit items for the auction. Challenge items and other auction submissions should be dropped off no later than this month's drop-off day!

Community Outreach

Our new block of the quarter is the castle block! Check your email for the tutorial from Kerry.

We have several community outreach quilts that are ready for the next step. It is time to make a final push to complete these for the end of the year!

The National MQG
